The Audit Committee (the "Audit Committee") of the Board of Directors of The Children's Place, Inc. (the "Company") conducted a competitive process to select a replacement for the Company's independent registered public accounting firm for the Company's fiscal quarter ended August 3, 2024 and the remainder of the fiscal year ending February 1, 2025 ("Fiscal 2024"). The Audit Committee invited several independent registered public accounting firms to participate in this process.

Following its review of proposals from the firms that participated in the process, on August 15, 2024, the Audit Committee approved the engagement of BDO USA, P.C. ("BDO") as the Company's independent registered public accounting firm for the Company's fiscal quarter ended August 3, 2024 and the remainder of Fiscal 2024.

During the fiscal years ended February 3, 2024 and January 28, 2023 and the subsequent interim period through August 15, 2024, neither the Company nor anyone on its behalf has consulted with BDO regarding: (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that BDO concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue; (ii) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions; or (iii) any matter that was a reportable event within the meaning of Item 304(a)(1)(v) of Regulation S-K.

Forward-looking statements typically are identified by use of terms such as "may," "will," "should," "plan," "project," "expect," "anticipate," "estimate" and similar words, although some forward-looking statements are expressed differently. These forward-looking statements are based upon the Company's current expectations and assumptions and are subject to various risks and uncertainties that could cause actual results and performance to differ materially. Some of these risks and uncertainties are described in the Company's filings with the Securities and Exchange Commission, including in the "Risk Factors" section of its annual report on Form 10-K for the fiscal year ended February 3, 2024. Included among the risks and uncertainties that could cause actual results and performance to differ materially are the risk that the Company will be unable to achieve operating results at levels sufficient to fund and/or finance the Company's current level of operations and repayment of indebtedness, the risk that the Company will be unsuccessful in gauging fashion trends and changing consumer preferences, the risks resulting from the highly competitive nature of the Company's business and its dependence on consumer spending patterns, which may be affected by changes in economic conditions (including inflation), the risk that changes in the Company's plans and strategies with respect to pricing, capital allocation, capital structure, investor communications and/or operations may have a negative effect on the Company's business, the risk that the Company's strategic initiatives to increase sales and margin, improve operational efficiencies, enhance operating controls, decentralize operational authority and reshape the Company's culture are delayed or do not result in anticipated improvements, the risk of delays, interruptions, disruptions and higher costs in the Company's global supply chain, including resulting from disease outbreaks, foreign sources of supply in less developed countries, more politically unstable countries, or countries where vendors fail to comply with industry standards or ethical business practices, including the use of forced, indentured or child labor, the risk that the cost of raw materials or energy prices will increase beyond current expectations or that the Company is unable to offset cost increases through value engineering or price increases, various types of litigation, including class action litigations brought under securities, consumer protection, employment, and privacy and information security laws and regulations, the imposition of regulations affecting the importation of foreign-produced merchandise, including duties and tariffs, risks related to the existence of a controlling shareholder, and the uncertainty of weather patterns. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date they were made. The Company undertakes no obligation to release publicly any revisions to these forward-looking statements that may be made to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.*
