Explanation of Responses:

- This is the annual option grant that all directors are entitled to receive under the registrant's amended and restated 2005 Equity Incentive Plan. This grant was supposed to have been made last February but the registrant was unable to make equity grants at that time due to its not being current in its SEC periodic reporting obligations. The number of options granted to the reporting person have been prorated based on his appointment to the registrant's Board of Directors on August 17, 2006. The exercise price is the average of the high and low of registrant's stock price on the grant date.
- One-third of the shares vest on each of the first, second and third anniversary of the date of grant.
